The Kawartha Youth Orchestra is a not-for-profit, charitable organization, largely run by a volunteer Board of Directors, family and friends. As a parent of a musician under 18 years of age our bylaws specify you are a member as well. We encourage all parents to make a commitment of time to support the KYO and help us provide all young musicians in the Kawartha region, regardless of family income, an opportunity to learn symphonic music and perform in an orchestra ensemble.

Please indicate the activities that you are willing to help with:

2017-18 Kawartha Youth Orchestra Membership Agreement

I have received a copy of the KYO 2017/18 Concert Calendar and list of important dates. I will attend rehearsals, sectionals (where applicable), concerts and other KYO activities with the exception of the following known prior commitments (please specify dates):

In the event of illness or an unavoidable conflict, I will notify the KYO immediately by emailing info@thekyo.org

In order to ensure the safety of members, the parents/guardians of junior orchestra members are asked to escort their child into the Mount Community Center and sign them in at the beginning of rehearsal. Again for safety, both junior and senior orchestras parents are asked to arrive promptly for pick up at the end of rehearsal.

I understand that the music and folders provided to each senior musician are on loan and must be returned at the end of the concert season in good condition. If the folder is not returned by June 30, 2018, the \$25.00 deposit will be retained.

I understand that we will sell concert tickets to family and friends.

I understand that where financially possible we will participate in fundraising activities through sales, donations and/or purchase including:

- Chocolate Bar/Wreath or other product sales
- Garage Sale donations
- Concert Bakes Sales, Silent Auction, Raffles and Draws

I understand that in the event my child is unable to continue with the KYO, I will inform the conductor and send written notification by email to the KYO President at info@thekyo.org. From the date the KYO receives notification in writing, the fees will be paid for the remainder of the month, and any outstanding cheques will be returned and/or a refund will be issued for the remaining months.

Signed: Member _ Parent/Guardian (if member under age 18)

My family agrees to share our home phone number and email address with other KYO families (____initials)

2017-18 KYO Financial Assistance Instructions and Application

The Kawartha Youth Orchestra (KYO) believes that music should be available to everyone who wants to play. We offer a broad financial support program to ensure the KYO is accessible to all those interested in participating.

Membership Fees

Membership fees for the 2017-2018 season are \$900 for the senior orchestra and \$375.00 for the junior orchestra. We subsidize membership fees on a sliding scale based on income and family size, ranging from \$0 to \$900.00 for senior orchestra musicians and \$0 to \$375.00 for junior orchestra musicians. To determine if you are eligible for assistance follow the instructions below.

Financial Assistance Instructions

There are two charts with fee schedules following these instructions, one for the senior orchestra and one for the junior orchestra, that provide a sliding fee scale which takes into account family size and income level.

To determine your 2017-18 annual membership fees:

1. Select either the senior orchestra fee schedule or the junior orchestra fee schedule chart, whichever is applicable.
2. Identify how many members are in your family. Family members include parents and dependents. Find this number in the top row, beneath the heading "Family Size and Income level".
3. Search the column below your family member total to find the family's combined net income total (the sum of net income found at line 236 of the 2016 tax form on all returns filed by family members).
4. Scroll across to the far left-hand column to find the annual fees required.

For example: A family of four with an income level of less than \$45,466 would incur no membership fees for either the junior or senior orchestra. A family of four with an income level of \$70,000 would pay \$600.00 for enrolling a musician in the senior orchestra and \$240.00 for enrolling a musician in the junior orchestra. A family of four with an income of greater than \$87,465 would pay full membership fees.

If you determine that your annual fees based on income and family size are less than \$900 for the senior orchestra or less than \$375.00 for the junior orchestra, please complete the Financial Assistance Application Form and the 2017-18 KYO Payment Form found in the Registration Package.

We recognize that there are unique circumstances where a family may not be eligible for subsidized fees based on income and family size and cannot afford the membership fees. For those who cannot pay the membership fees, we urge you to discuss your situation with the Treasurer or President of the KYO Board. We will help in any way we can, so that your son or daughter has every opportunity to benefit from playing music with the KYO.

If you have any questions or need help with the financial assistance form, please contact Helen Ball by email at info@thekyo.org or by phone 705-868-5050.
