

2018-19 KYO Financial Assistance Instructions and Application

The Kawartha Youth Orchestra (KYO) believes that music should be available to everyone who wants to play. We offer a broad financial support program to ensure the KYO is accessible to all those interested in participating.

Membership Fees

Membership fees for the 2018-2019 season are **\$950.00** for the senior orchestra and **\$450.00** for the junior orchestra. We subsidize membership fees on a sliding scale based on income and family size, ranging from \$0 to \$950.00 for senior orchestra musicians and \$0 to \$450.00 for junior orchestra musicians.

Financial Assistance Instructions

There are two charts with fee schedules following these instructions, one for the senior orchestra and one for the junior orchestra; they provide a sliding fee scale which takes into account family size and income level.

To determine your 2018-19 annual membership fees:

1. Select either the senior orchestra fee schedule or the junior orchestra fee schedule chart in Appendix 1 and Appendix 2 respectively, whichever is applicable.
2. Identify how many members are in your family (family members include parents and dependents). Find your number of family members in the top row of the chart, beneath the heading "Family Size". Please note if you are a musician 18 years of age or older and financially independent your family size is 1.
3. Look down the column below your number of family members and find your family's combined net income total (the sum of net income found at line 236 of the 2017 tax form on all returns filed by family members).
4. Scroll across to the far right-hand column and find the annual membership fees required.

For example: A family of four with an income level of less than \$45,446 would incur no membership fees for either the junior or senior orchestra. A family of four with an income level between \$68,790 and \$73,459 would pay \$630.00 for enrolling a musician in the senior orchestra or \$300.00 for enrolling a musician in the junior orchestra. A family of four with an income of greater than \$82,796 would pay full membership fees.

If you determine that your annual membership fees based on income and family size are less than \$950.00 for the senior orchestra or less than \$450.00 for the junior orchestra, please complete the Financial Assistance Application Form found in Appendix 3.

We recognize that there are unique circumstances where a family may not be eligible for subsidized fees based on income and family size and cannot afford the membership fees; we urge you to discuss your situation with the Treasurer or President of the KYO Board. We will help in any way we can, so that your son or daughter has every opportunity to benefit from playing music with the KYO.

If you have any questions or need help with the financial assistance form, please contact Helen Ball by email at info@thekyo.org or by phone 705-868-5050.

INCOME DECLARATION

using the applicable fee schedule charts in Appendix 1 and 2

I state that the total number of members in our family (including all dependents) is _____ and our total combined net income (2017 tax returns) is \$_____ and therefore based upon the KYO fee chart, the total membership fees for the 2018-2019 season are:

\$_____.

Our family is currently limited in our ability to pay the suggested membership fees and would like a representative to contact me to discuss additional financial assistance.

The money required to supplement the 2018-2019 membership fees is provided by various Foundations and private donors. For receiving the membership subsidy, we ask that you write a thank you note which the KYO can share with the contributors.
